SUN COLLECTION

HERE COMES
THE SUN

HERE COMES THE SUN

The sun is shining, making it the perfect time
to go outside and play!

Enjoy the sunny weather with your best friends but
remember to wear sunglasses to protect your eyes from
harmful UV rays. Milo & Me sunglasses are both durable
and flexible, just like our regular eyewear. They offer
excellent protection while keeping you looking stylish
on summer days filled with fun!

WHY

We believe all children should feel free to jump, romp, run, explore and play the way they want. Feel good about themselves and feel free to be who they are. And sometimes be a little rebel ...

WHAT

Children's eyewear, crafted from super flexible, lightweight, and durable materials. We utilise TR-90 material for the temples and plasticiser-free TPE material for the front of the frames. These materials are strong enough to withstand the rigors of everyday activities! With a cool design, trendy colours, a consumer-friendly price, and a fresh brand concept, our eyewear appeals to kids from baby age to teenager.

WHY

MILO & ME

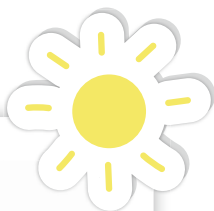

HOW

By designing and producing attractive, functional and affordable products which help kids with glasses to play the way they want and feel free to be themselves. Products that are responsibly produced and available for every child.

WHAT'S NEW?

Our sunglasses collection has been refreshed with new sizes and a variety of vibrant colours! It's now lighter and brighter, featuring many lively hues while still honoring classic shades like dark blue and grey. Lilac has become our new favorite colour, especially with how our latest model, Leyla, rocks it in the Noel style.
